

Testimonials from 2019 FASPE Business Fellows

"Thank you for this tremendous opportunity. The program was well run, effectively curated, and it was an experience I will not soon forget personally and professionally. Thank you."

"Thank you for this precious opportunity. It was truly transformative, and I am so thankful. From the relationships, to the knowledge gained, to the lasting memories, this is one of the best educational experiences of my entire life."

"Made me more aware of, and committed to, confronting the small ethical issues day-to-day."

"FASPE has given me a clear perspective of how professionals at a pivotal point in history failed to recognize their responsibilities and the nature of the choices they made. Equipped with this knowledge and with a better appreciation for the human suffering that resulted from their actions, I better understand my role as a future business leader and the responsibilities that entails."

"It went well beyond my expectations. I am proud to have been selected and feel very fortunate to have this experience. I will be better prepared for my professional future because I was part of this fellowship. The faculty, staff, and my peers were the right people to share this experience with."

"Far exceeded my expectations. I am so incredibly thankful for the opportunity provided by FASPE. Once-in-a-lifetime."

"Exceeded! Did not know what I was coming into but I met an incredible group of people, had meaningful conversations at every session and meal, and learned about WWII and the Holocaust from a fresh perspective that I can use in my career."
