You will find the following questions on the online application at the Submittable portal. Please be prepared to upload your responses to these questions in a single PDF document, along with the other components of the application, by the FASPE Law deadline using the link in Submittable.

1. Why are you interested in FASPE, and how do you think the program will influence your growth as a legal professional?
2. Describe an ethical concern you have about the practice of law or the legal system that you expect to encounter in your career. Discuss potential causes of the issue and how you think an individual lawyer should respond.

4. What experiences in your own cultural, academic, or professional background will enable you to enrich program discussions?
5. Tell us about a novel, play, poem, painting, sculpture, piece of music, or other work of art (loosely defined) that had an impact on who you are today, and tell us why.
